Inspiration

Only few people can easily find peace amidst the chaos.

But for the rest, finding a peaceful place in a good location is hard. It is this insight that inspired P.C. Realty to come up with a thoughtful initiative - a solution for new-age Indians like you to switch from the cacophony of urban life, without leaving the city

14 Acres. 220 Plots.

A M A N S A R A

Amansara has been planned as a plotted development which is ready for building homes; that is amid 14 acres in North Bengaluru's preferred investment destination, Yelahanka, which is located only 18 kms from Kempegowda International Airport. Amansara comes with 220 plots, each having open spaces separating them to make room for a peaceful environment.

Cut off noise. Not your senses.

The gateway to 14 acres of peaceful living

The change of ambience as you step inside leaves you speechless.
Within minutes you are transported into a space where silence resides.

You feel secluded, secured and pampered. Your secret door
to serenity within the chaos of the city - Amansara.

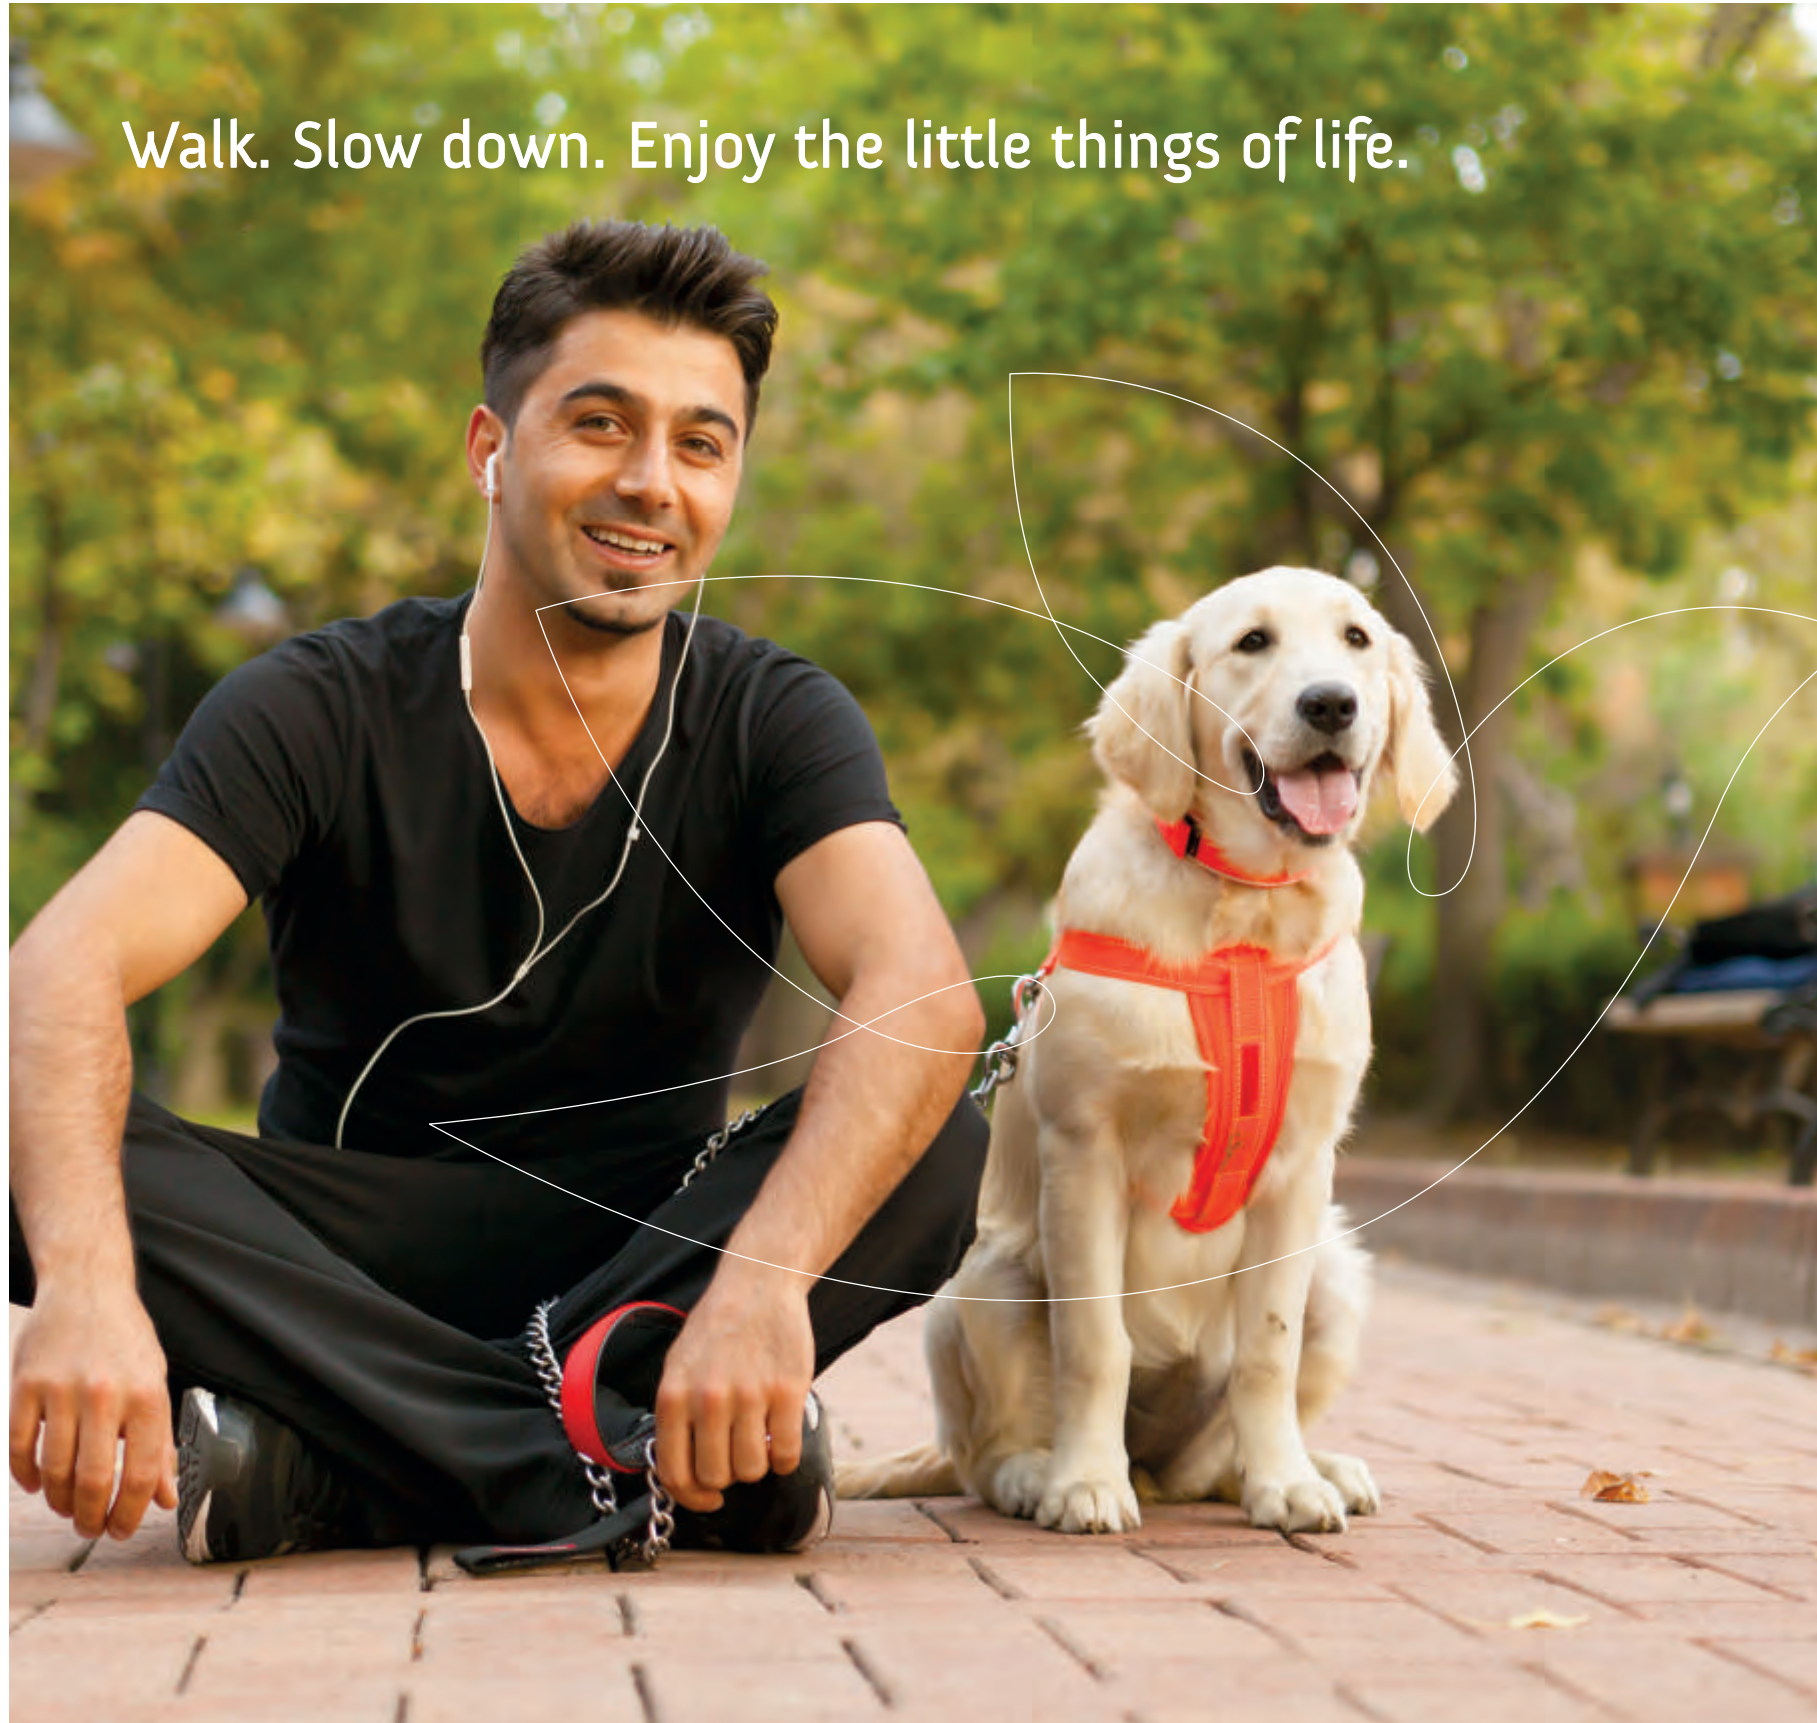

I am thinking. Please be quiet.

Greener spaces to sit and ponder

Whether you need space to work from home, satisfy the urge to pen down a sudden inspiration of poetry, or the yearning of a few peaceful moments to catch up with yourself, at Amansara there are serene sit outs amidst nature to give you the peace you long for. Go on, unwrap your thoughts and minus the distraction.

Walk. Slow down. Enjoy the little things of life.

Sit Out Area

Open space for simple and healthy lifestyle.

Slow down, Take a walk on the tree-lined pathways, Stop on the way to smell a flower,
Take a break to do nothing, Rejuvenate your senses, Prepare the body and mind
for a busy day ahead. Where else can you do this other than Amansara?

Unlimted fun for the little ones.

Big spaces for a spacious childhood

Childhood thrives in open space. And we have lots of it at Amansara.
Your children will have the space to run freely, to challenge one another, or to play a game.
We offer all that a child craves for - a childhood within the pleasant confines
of a 14-acre gated community called Amansara.

Refresh yourself every day

Be it a tennis court, an open space for group exercise, or the novel concept of an open gym, Amansara has all that you need to keep track of your health in this busy world.

Wake up happy everyday.

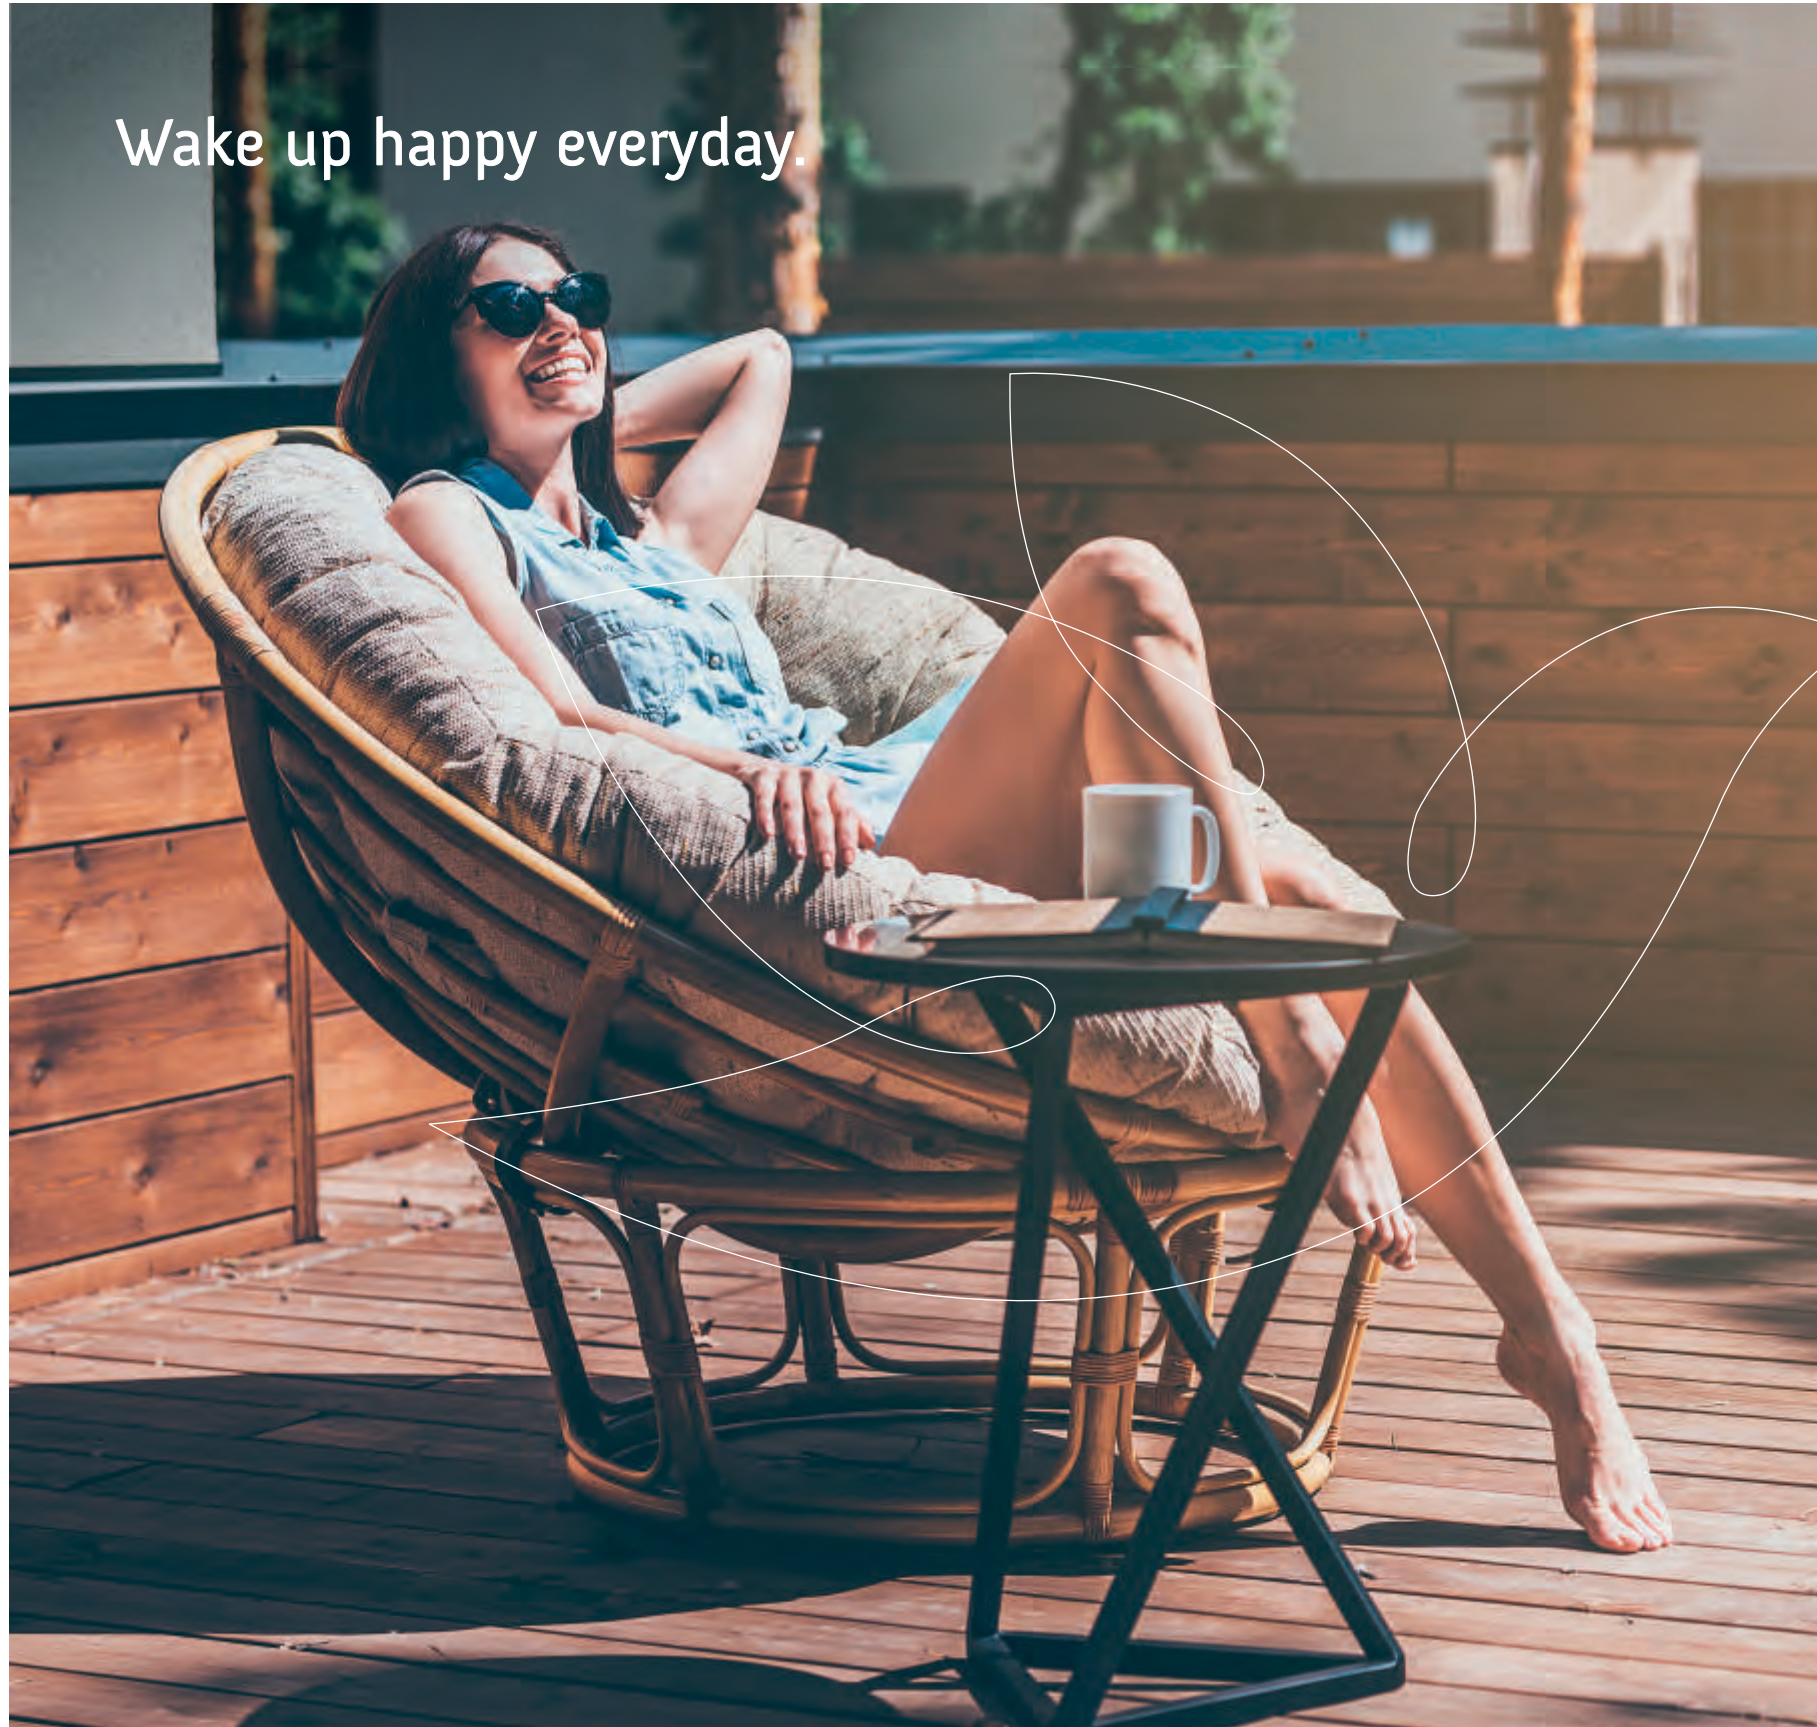

Image for reference purpose only

Little things of life deserve big spaces.

Life requires you to slow down sometimes, so that you rejuvenate your senses and prepare your body and mind for the rigmarole of a hectic lifestyle.

Where can you do this better but at Amansara?

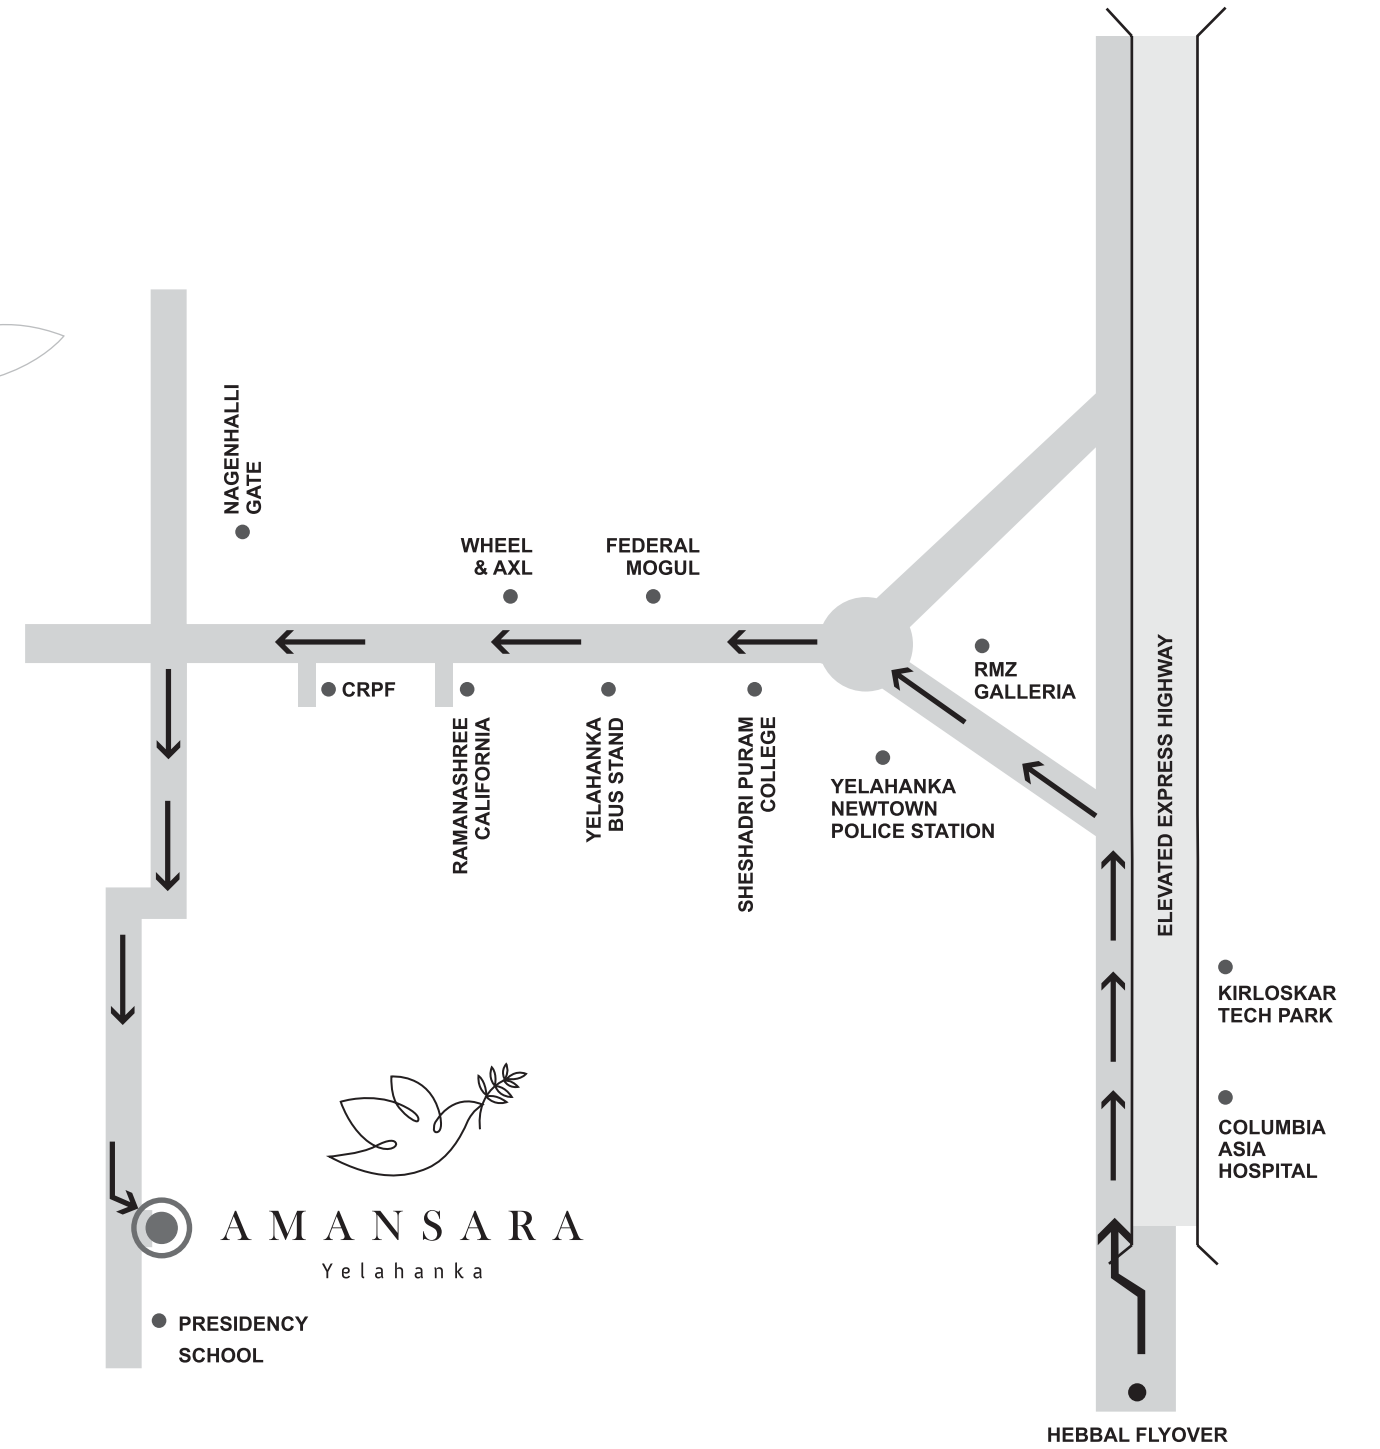

The Amansara Advantage

- Freedom to custom build your home
- Ideal plot size
- Clear title
- BDA approved plots
- Well thought-out infrastructure

14 Acres, 220 Plots

Plots available in the following sizes –
20x30, 30x40, 30x50, 40x60 and many more.

Location

Location Advantages

- Only 18kms away from Bangalore International Airport
- Strongest road network with NH7 passing through
- Great location advantage estimated in the future with rail projects coming up at a faster rate
- Proximity to IT centers, industrial sectors, educational institutions and healthcare centers

50 Glorious Years. 1000+ Happy Customers.

We are a family enterprise with over 50 years of heritage and reputation. P.C. Realty is a name recognized and appreciated for developing plots and revamping them for a new and transforming India. Our foray into property development and creation of urban spaces is an extension of the thought that the ever-growing demand for accommodation should always be accompanied with quality living, comfort and convenience.
